What is the price of a standard cable tray support

Overview

Amazon.com: Wire Tray SupportsGlobal Recycled Standard (GRS) certified products contain recycled content that has been independently verified at each stage.

Key Takeaways

Standard cable tray supports typically range from $1 to $35 per unit, depending on material, size, and load capacity.Price Overview
• B2C Retail Prices: Individual cable tray supports for small-scale or consumer use are generally priced between $15 and $34 per unit, with some budget options available as low as $0.92 for basic models .

• B2B Wholesale Prices: For bulk purchases, prices vary widely from $0.80 to over $76 per unit, depending on material quality, load rating, and supplier .
Material and Type Considerations
• Galvanized Iron (GI) Supports: Commonly used for standard installations, available in C-channel and Z-support designs, offering good corrosion resistance and durability .

• Gauge Options: Supports are available in 14 SWG, 16 SWG, and 18 SWG, with thicker gauges providing higher load-bearing capacity .

• Other Materials: Stainless steel, aluminum, and fireproof FRP supports are available for specialized industrial or outdoor applications, often at higher prices .
Factors Affecting Price
• Load Capacity: Supports designed for heavier cable trays or industrial loads cost more.

© 2026 ALFA PRO COMMUNICATION SYSTEMS (Pty) Ltd - All rights reserved

• Installation Ease: Pre-drilled or no-drill supports may be priced higher due to convenience.

• Supplier and Brand: Reputable brands and suppliers often charge a premium for quality and reliability.

• Quantity: Bulk orders significantly reduce per-unit cost, especially in B2B channels . Typical Applications

Standard cable tray supports are used in commercial buildings, industrial facilities, and infrastructure projects to securely mount cable trays, ensuring proper cable management and safety . For a typical project, GI C-channel or Z-supports in 16 SWG are commonly chosen for standard cable trays, balancing cost and durability. Prices can be confirmed with suppliers like Elecload, CEF, or DirectIndustry for the most accurate and up-to-date quotes .
