1. JUNPU Fiber Optic Co., Ltd. JUNPU provides a range of fiber optic boxes and splice closures designed for durability and optimal signal protection. Their products accommodate various connector types and are engineered to withstand environmental factors such as dust and water, making them ideal for telecommunications networks and FTTH installations. JUNPU also offers direct factory sales and technical support for customized solutions . 2. EFB-Elektronik EFB-Elektronik specializes in fiber splice boxes and distribution boxes, offering both pre-assembled and unassembled options. They have an in-house production facility, allowing for customized requests and fast delivery. Their splice boxes include removable and stackable cassettes for organized fiber management, ensuring secure and stable operation in structured cabling systems . 3. HUBER+SUHNER, BOPLA, METZ CONNECT These brands are listed on DirectIndustry, providing a wide selection of fiber optic junction boxes. They are recognized for high-quality industrial-grade products suitable for professional installations. DirectIndustry allows you to contact manufacturers directly for quotes and bulk orders . 4. GlobalSpec Suppliers GlobalSpec lists multiple manufacturers and suppliers of fiber optic junction boxes, including indoor wall-mounted panels and communication vaults. These products are designed for residential, commercial, and industrial applications, with features like SC/APC or SC/UPC coupler ports and pre-installed pigtails for easy deployment .

Key Considerations for Direct Purchase
• Product Type: Choose between splice closures, distribution boxes, or wall-mounted panels depending on your network requirements.

• Environmental Protection: Ensure the junction box offers adequate sealing against dust, water, and temperature variations.

• Customization: Some manufacturers provide custom configurations, including module racks, subracks, and specific connector types.

• Delivery and Support: Opt for suppliers with reliable shipping, technical consultation, and warranty options to ensure smooth installation and maintenance. By contacting these manufacturers directly, you can secure high-quality fiber optic junction boxes tailored to your network needs, with professional support and reliable delivery.
