

A place in Tanzania that manufactures optical fiber cables

Overview

Raddy Fiber Manufacturing Tanzania Ltd based in Dar Es Salaam, Tanzania established in 2021: Contact Details, Phone Number, Email, Address, Website, Location, Opening Hours.

Key Takeaways

Key Tanzanian manufacturers of optical fiber cables include RaddyFiber Manufacturing Tanzania LTD, Fiber Optic Tanzania Technologies, and Ivuga Tanzania Limited.

Raddy

Fiber Manufacturing Tanzania LTDRaddyFiber Manufacturing is based in Mwanambaya, Mkuranga district, about 25 km from Dar-es-Salaam. The company specializes in producing high-quality fiber optic cables and accessories for industrial, telecommunications, security, and commercial projects. Their product range includes outdoor cables, armored cables with single or double jackets, patch cord connectors, and other fiber connectors.

Raddy

Fiber serves not only Tanzania but also East and Central Africa, partnering with mobile network operators and government institutions to support technological advancement in the region.

Fiber Optic Tanzania Technologies

Operating since 1995, Fiber Optic Tanzania Technologies manufactures a wide variety of fiber optic cables and assemblies, including single-mode and multimode cables compliant with OS1, OS2, OM1-OM4 standards. They produce armored cables, bend-insensitive fiber cables, laser-optimized multimode cables, and custom multi-fiber assemblies. Their products are suitable for indoor and outdoor applications and are widely used in telecom, military, oil, and medical industries.

The company emphasizes ISO-compliant quality control and exports to over 60 countries.

Ivuga Tanzania Limited

Founded in 2019, Ivuga Tanzania Limited focuses on telecom infrastructure design, installation, and maintenance, with a strong emphasis on fiber optic networks. They provide end-to-end services, including network design, installation, and maintenance, ensuring fast, reliable, and scalable connectivity. Ivuga also integrates sustainable power solutions for telecom and IT infrastructure, supporting both traditional and renewable energy systems.

Their services target telecom operators and businesses across Tanzania and East Africa.

Additional Providers

Other companies like Levi Electronics and distributors such as Legrand Tanzania offer fiber optic products and components, though they primarily focus on sales and distribution rather than manufacturing. These manufacturers collectively provide a robust ecosystem for fiber optic cable production, installation, and support in Tanzania, catering to both local and regional markets.
