Brilltech Engineers

Brilltech Engineers Pvt. Ltd. supplies a wide range of cable trays in Jordan, including PVC, mild steel, stainless steel, perforated, and ladder cable trays. They provide customized solutions for residential, commercial, and industrial sectors, ensuring compliance with safety and fire standards.

Their in-house manufacturing facility allows precise quality control and timely delivery, making them a reliable option for fireproof cable tray installations. Davos for Electrical Systems & SuppliesDavos partners with international manufacturers to provide full cable management systems, including steel conduits, busbar trunking, and cable trays suitable for critical infrastructure like data centers. Their products meet international quality standards and are designed for safety and fire resistance, supporting complex electrical installations without compromising operational safety.

Additional Suppliers

Other suppliers in Jordan, such as those listed on cabletrayuae.com, offer a variety of cable tray products including cable ladders, trunkings, and GRP/FRP gratings, which can be selected for fire-resistant applications depending on project requirements. These companies provide comprehensive solutions for fireproof cable tray systems, ensuring compliance with safety standards and suitability for industrial, commercial, and critical infrastructure projects in Jordan.
