Lc pigtail jumper wires are available in stock

Overview

Pigtail Jumper Wires are available at Mouser Electronics. Mouser offers inventory, pricing, & datasheets for Pigtail Jumper Wires.

Key Takeaways

LC fiber optic pigtail jumper wires are available in stock from multiple suppliers, including Leviton, LWL-SHOP24, and Siemon, with options for single-mode and multimode fibers.Suppliers and Options

Leviton offers LC pigtail kits suitable for mechanical or fusion splicing applications. Their products include both single-mode and multimode fibers with LC connectors, available in custom lengths. Economy and premium options are offered, with same-day shipping for orders received before noon Pacific Time . LWL-SHOP24 provides a wide selection of fiber pigtails and cable pigtails, pre-terminated with LC connectors. They are available in various lengths and configurations, including single-mode and multimode, and come with compatible accessories like cable holders and mounting hardware for easy installation . Siemon features XGLO fiber optic jumpers and pigtails with LC connectors, supporting duplex and simplex applications. These assemblies meet industry standards (IEC, TIA, Telcordia) and are available in single-mode and multimode, including angled polish (APC) options for PON, CATV, LAN, and WAN applications. They offer high-quality inspection and a 20-year warranty when installed in qualified systems .

Key Considerations
• Fiber Type: Choose single-mode for long-distance or high-bandwidth applications, multimode for shorter distances.

• Connector Type: LC connectors are compact and widely used in modern networking equipment.

• Length and Customization: Many suppliers offer custom lengths to fit your installation needs.

• Shipping: Some suppliers provide same-day shipping if orders are placed early in the day. These suppliers maintain stock and provide detailed specifications, making it easy to select LC pigtail jumper wires that meet your project requirements.
