Major Manufacturers of Optical Modules in Georgia

Overview

Source Georgia Optical Components Suppliers.A broad range of OPTICAL COMPONENTS manufacturers has been compiled in this industrial directory designed to pr.

Key Takeaways

Georgia hosts a variety of optical module and fiber optic manufacturers, particularly concentrated in Atlanta and surrounding cities.Key Manufacturers and Suppliers
• AA Electric Inc. – Custom manufacturer of fiber optics, including cables, connectors, and optoelectronics, with 50–99 employees and estimated annual revenue of $50–99 million, serving industrial and communication sectors in Georgia .

• OFS (Headquarters) – Produces standard and specialty optical fiber, including single-mode, multimode, bend-optimized, and erbium-doped fibers. OFS has over 1,000 employees and annual revenue exceeding $250 million .

• Heilind Electronics – Distributor of fiber optic electronic equipment, including cables, connectors, and communication systems, offering value-added services like assembly and supply chain management .

• Panduit Corp. – Manufactures wiring and communication products, including fiber systems, cable routers, and data center enclosures, serving multiple industries across Georgia .

• Envistacom – Designs and installs telecommunication networks, including fiber optic systems, patch panels, and switching equipment, with 10–49 employees .

© 2026 ALFA PRO COMMUNICATION SYSTEMS (Pty) Ltd - All rights reserved

• SKY PFM LIMITED – Specializes in fiber optic modules and communication equipment, offering high-sensitivity transmitters and receivers, SC-Duplex connectors, and modules for Fast Ethernet and SDH/SONET applications .
Additional Resources
• MacRae's Blue Book provides extensive listings of fiber optic and optical module manufacturers across Georgia, covering cities such as Atlanta, Alpharetta, Augusta, Macon, Savannah, and more. It includes contact information and product details for companies producing fiber optic assemblies, cable assemblies, and communication equipment .

• Rentech Digital lists 13 optical products manufacturers in Georgia, with the majority located in Atlanta, and provides information on their digital presence and websites .
Summary

Georgia's optical module industry is concentrated in Atlanta, with additional manufacturers in cities like Alma and Euharlee. Companies range from large-scale fiber optic producers like OFS and Panduit to specialized module manufacturers like SKY PFM LIMITED. For sourcing or partnership, directories such as MacRae's Blue Book and Rentech Digital offer detailed listings, including contact information and product specifications .
