Nepal Standard Optical Cable Manufacturer

Overview

Home Technovate International Pvt. Ltd was established in 2017 with an objective to provide end-to-end fiber optic products and solutions to Internet Servi.

Key Takeaways

Key manufacturers and suppliers of optical cables in Nepal include Annapurna Cable Industries, Technovate International, D-TECH Trading, and Cable Tech Nepal. Leading Optical Cable Manufacturers and Suppliers1. Annapurna Cable Industries Pvt.

Ltd. Established in 2001 in Biratnagar, Annapurna Cable Industries is one of Nepal's leading cable manufacturers. While primarily known for house wiring, power cables, and XLPE cables, the company has expanded into high-quality cable production with advanced manufacturing technologies.

Their products are recognized for superior quality and reliability, and they maintain rigorous testing standards in their in-house laboratory to ensure performance and durability. 2. Technovate International Pvt.

Ltd. Founded in 2017, Technovate specializes in providing end-to-end fiber optic products and solutions for ISPs and Cable TV operators in Nepal. They import fiber optic cables and telecommunication equipment from international partners, ensuring high-quality standards.
