Niger Galvanized Cable Tray Standard Manufacturer

Overview

Galvanized Cable Tray In NigerWe, one of the leading Galvanized Cable Tray Manufacturers in Niger, bring trays that are designed to offer superior durabili.

Key Takeaways

Brilltech Engineers and Cable House are leading manufacturers and suppliers of high-quality galvanized cable trays in Niger.Key Manufacturers and Suppliers

1. Brilltech Engineers Pvt. Ltd. Brilltech Engineers is a prominent galvanized cable tray manufacturer and exporter in Niger, offering products made from high-grade steel with a hot-dip galvanization process for superior corrosion resistance and durability . Their trays feature perforated designs for proper ventilation, preventing cable overheating, and are designed for quick and easy installation. Brilltech provides custom specifications to meet project requirements and also supplies related electrical panels and cable management solutions . 2. Cable House Cable House, established in 1983, is recognized for manufacturing and supplying a wide range of cable trays, hose clamps, crimping tools, and industrial connectors in Niger . They offer customized solutions with high durability and reliable performance. Their products are suitable for both national and international projects, ensuring compliance with quality standards and long-lasting service .

Product Features
• Material: Hot-dip galvanized steel for corrosion resistance and long-term durability .

• Design: Perforated or ladder-style trays for ventilation and cable support.

© 2026 ALFA PRO COMMUNICATION SYSTEMS (Pty) Ltd - All rights reserved

• Applications: Industrial facilities, data centers, hospitals, energy projects, and commercial buildings.

• Installation: Designed for easy assembly, reducing labor and installation time.

• Customization: Available in various sizes, load capacities, and configurations to meet specific project needs .
Additional Considerations
• Both manufacturers provide export services and can supply cable trays beyond Niger.

• They offer technical support to help select the right tray type for your project.

• Products are suitable for harsh environments, ensuring safety and compliance with electrical standards . For procurement, you can contact Brilltech Engineers directly via their website or phone, and Cable House through their official channels to request quotes and discuss project-specific requirements.
