Oman fiber optic cable supplier

Overview

Distributor of fibre optic cables, CAT6,CAT6A, CAT7A telecom cabinets and structured cabling solutions in Oman.

Key Takeaways

Oman Fiber Optic (OFO) is a leading Omani manufacturer and service provider of fiber optic cables and turnkey telecom solutions, established in 1996 and headquartered in Muscat.Company Overview

Oman Fiber Optic (OFO) was founded in 1996 and began cable production in early 1999. It is a public listed company traded on the Muscat Securities Market (MSM) and is headquartered in Al Rusayl, Muscat, Oman . The company employs over 300 staff, with a 64% Omanisation rate, reflecting its commitment to local workforce development .

Products and Manufacturing

OFO manufactures a wide range of fiber optic cables and accessories for diverse applications, including:

• Unitube dielectric and armored cables for short-haul LAN applications

• Single sheath multitube dielectric cables for duct deployment

• Double sheath dielectric cables for duct or direct burial

• Dielectric rodent-proof cables for lightning-prone or defense areas

• Armored unitube/multitube cables for rough terrain installations

© 2026 ALFA PRO COMMUNICATION SYSTEMS (Pty) Ltd - All rights reserved

• Indoor-outdoor cables for campus networks and premises

• Figure-8 cables for aerial applications

• All dielectric self-supporting (ADSS) cables and micro duct cables

• Customized FTTH solutions and fire/flame-resistant cables The company operates a state-of-the-art manufacturing facility with ISO and OHSAS certifications, capable of producing 1.6 million km of fiber and 25,000 km of cable annually .
Services and Solutions

OFO provides end-to-end telecom solutions, including:

• Surveying, designing, and deploying FTTx, backbone, access, and last-mile fiber networks

• Supply and installation of fiber optic cables

• IT passive infrastructure and structural cabling services

• Maintenance and managed services for telecom networks

• Turnkey system integration for voice, data, video, and security systems The company serves telecom operators, utilities, oil and gas companies, defense, institutional clients, and system integrators across Oman, GCC countries, and Africa .
Training and Development

OFO also operates the Oman Fiber Optic Training Institute (OFO-TI), offering professional courses in fiber optics, network design, and telecom solutions. The institute collaborates with international partners such as Excel Education UK and local institutions to enhance workforce skills .

Market Position

OFO is recognized as a leading fiber optic manufacturer and service provider in Oman, competing with other regional players like Oman Cables Industry. It has a strong reputation for quality, technical support, and turnkey project execution, particularly in FTTx and backbone network deployments .
