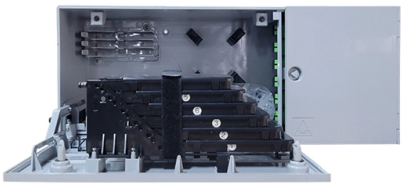
Tanzanian Standard Power Distribution Box Manufacturer



Overview

Tanelec Ltd – Tanelec Company LtdTanelec Limited was established in 1981 and is today the leading manufacturer of Distribution Thornlux From our headquarte.

Key Takeaways

Key manufacturers of power distribution boxes in Tanzania include Tanelec Ltd, Thornlux International, Volex Electrical Engineering, and Aaradhya Power Solutions.Tanelec Limited

Tanelec Ltd, headquartered in Arusha, Tanzania, is a leading manufacturer of distribution transformers, power transformers, electrical switchgear, metering units, and line materials across East and Central Africa . They produce distribution transformers up to 36 kV with ratings from 5 kVA to 20,000 kVA and have a manufacturing capacity of 14,000 transformers per year. Tanelec is ISO 9001:2015 and ISO 14001:2015 certified, ensuring high-quality standards . They also provide refurbishment and repair services for up to 500 transformers per month and offer complete power distribution solutions including conductors and cables .

Thornlux International

© 2026 ALFA PRO COMMUNICATION SYSTEMS (Pty) Ltd - All rights reserved

Based in Dar Es Salaam, Thornlux International supplies custom panel assemblies, generators, smart energy management systems, and specialized switchgear . They provide smart static voltage stabilizers ranging from 10 KVA to 5000 KVA and generators from 10 KVA to 3000 KVA. Thornlux emphasizes compliance with international safety and quality standards, serving industries such as banking, mining, and hospitality . Their engineers design high-capacity power solutions and offer maintenance expertise for uninterrupted power supply.

Volex Electrical Engineering Limited

Volex Electrical Engineering Limited manufactures and supplies high and low voltage electrical products, including insulators, miniature circuit breakers, and low-voltage distribution materials . They provide components suitable for both domestic and industrial applications, supporting safe and reliable power distribution.

Aaradhya Power Solutions

Aaradhya Power Solutions specializes in LT (Low Tension) distribution panels, offering indoor and outdoor panels rated IP65 for industrial, commercial, and infrastructure applications such as hospitals, factories, and solar plants . Their panels are designed to prevent overloads and short circuits using breakers and fuses, ensuring safe and efficient energy distribution. Aaradhya combines innovation with proven experience to deliver long-lasting, reliable power systems.

Summary

For Tanzanian power distribution needs, Tanelec Ltd is ideal for large-scale transformer and switchgear solutions, Thornlux International for custom panels and smart energy systems, Volex Electrical Engineering for high and low voltage components, and Aaradhya Power Solutions for LT distribution panels. These companies collectively cover a wide range of industrial, commercial, and utility power distribution requirements in Tanzania and the East African region.
