- Delivery and Packaging: Prices may include DDP delivery, protective wooden casing, and shipping, as required by BPC procurement standards .

Procurement Considerations

- Ensure compliance with material specifications and factory certifications.
- Confirm unit rates include all taxes, duties, and delivery charges.
- For large projects, request a Bill of Quantities or supplier quotation to compare costs across different tray types and suppliers.
- Local suppliers like Brilltech Engineers can provide customized solutions and may offer competitive pricing for bulk orders .

For accurate budgeting, it is recommended to contact suppliers directly with your project specifications to obtain firm quotations, as prices vary by tray type, size, and material finish.
