Armorduct Systems Ltd manufactures a wide range of cable management systems in the UK, including cable trays, trunking, baskets, floor boxes, and power tracks. They also offer bespoke solutions tailored to specific project needs, all designed and produced in-house .

LASNEK focuses on stainless steel cable trays, providing durable and efficient solutions for safe and organized wiring systems across different industries .

Considerations When Choosing a Supplier
• Material and Finish: Steel, stainless steel, or galvanized options depending on environmental conditions.

• Load Capacity: Light, medium, or heavy-duty trays for different cable weights.

• Accessories: Availability of bends, couplers, lids, and risers for complete installation.

• Delivery and Support: Fast shipping, technical support, and bespoke solutions can be critical for large or complex projects.

These suppliers collectively cover a broad spectrum of cable management needs in the UK, from standard installations to customized industrial solutions.
