Y, part of El-Sewedy Industries, delivers precision-engineered cable management systems for industrial, commercial, and infrastructure sectors. They focus on safety, efficiency, and structural integrity, offering ladder trays, cable trays, and support systems that comply with international standards. Metal Egypt produces a wide range of cable management products, including heavy-duty cable trays and ladders.

Their solutions combine functionality with aesthetic appeal, making them suitable for large-scale industrial projects. Other Notable ManufacturersNTT Al-Tawakol: Offers innovative, customizable cable trays made from high-quality galvanized steel, emphasizing durability and corrosion resistance. El Masrya El Almanya: Specializes in perforated trays, solid ducts, and cable ladders with rapid production and competitive pricing.

P

I Manufacturing Solutions: A newer company (established 2023) providing custom cable trays, trunks, and ladders, with high-quality finishes suitable for harsh environments.

Choosing the Best Manufacturer

When selecting a cable tray manufacturer in Egypt, consider: Material and finish: Galvanized steel, stainless steel, or electrostatic painted options for corrosion resistance. Customization: Ability to produce trays according to project-specific dimensions and load requirements. Certifications: ISO 9001 or other quality standards ensure reliability.

Project scale: Heavy-duty trays for industrial projects versus standard trays for commercial installations. Reputation and support: Established companies like Metaltech, Rovana Trade, and EGYTRAY have proven track records and technical support. For high-quality, durable, and customizable cable trays in Egypt, Metaltech, Rovana Trade, and EGYTRAY are widely regarded as the top choices, with other manufacturers like Metal Egypt and PI Manufacturing Solutions offering competitive alternatives depending on project needs.
