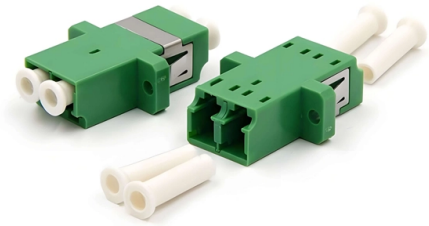
Price of galvanized sheet for cable trays in Australia



Overview

RS Australia is your leading manufacturer, supplier, and distributor of diverse cable trays in Australia.

Key Takeaways

Galvanized steel sheets for cable trays in Australia typically range from AUD 50 to AUD 150 per sheet, depending on size, thickness, and supplier.Overview of Pricing

The cost of galvanized sheets used for cable trays varies based on dimensions, thickness, and quantity. For example, standard sheets with lengths from 1200mm to 2400mm and thicknesses from 0.55mm to 3mm are commonly available . Bulk purchases or larger industrial sizes may reduce the per-sheet cost. Suppliers often offer competitive pricing and discounts for bulk orders .

Supplier Examples
• Steelmart offers galvanized sheets suitable for construction and fabrication, with lengths from 1200mm to 3000mm, widths of 1200mm or 1500mm, and thicknesses from 0.55mm to 3mm . These sheets are corrosion-resistant and ideal for cable tray fabrication.

• iSupply Electrical provides galvanized steel cable trays in standard sizes, such as 100mm x 12mm x 2400mm, with bulk purchase options available in Sydney .

© 2026 ALFA PRO COMMUNICATION SYSTEMS (Pty) Ltd - All rights reserved

• RS Australia and Rexel Australia supply a wide range of galvanized steel cable trays and accessories, including ladder, perforated, solid-bottom, and basket types, with pricing varying by material and size .
Factors Affecting Price
• Sheet Thickness: Thicker sheets (e.g., 2–3mm) cost more than thinner sheets (0.55–1mm).

• Sheet Dimensions: Longer or wider sheets increase material cost.

• Quantity: Bulk orders often reduce the unit price.

• Supplier and Location: Prices may vary between suppliers and regions in Australia.
Recommendation

For accurate pricing, it is best to contact suppliers directly with your required dimensions and quantities. Many suppliers, such as Steelmart, RS Australia, and iSupply Electrical, provide quotes and delivery options tailored to your project needs . By comparing multiple suppliers, you can ensure cost-effective purchasing while obtaining galvanized sheets suitable for durable and corrosion-resistant cable tray installations.
