

Fiji Fiber Optic Cable Communication Equipment Manufacturer

Overview

Datec Fiji Optical Fibre Datec (Fiji) PTE LTD have qualified field service technicians that can perform fusion and Fiji Please contact us on how our experi.

Key Takeaways

Dominion Wire & Cables Limited is Fiji's primary local manufacturer of fiber optic and communication cables, complemented by service providers like Datec Fiji and VT Solutions for installation and network support. Key Manufacturers and Service Providers

Dominion Wire & Cables Limited is Fiji's only local manufacturer and distributor of cable solutions for energy, communication, data, and industrial sectors. They produce cables to international standards (AS/NZS and BS specifications) and export across the Pacific, including Australia and New Zealand. Their capabilities include designing, manufacturing, and supplying fiber optic and communication cables, along with a complete package of accessories for instrumentation, data, and energy systems . Datec Fiji specializes in fiber optic services, including design, cable installation, fusion and mechanical splicing, testing, and maintenance. They provide end-to-end solutions for businesses, government, healthcare, and industrial sites, ensuring minimal downtime and high-quality network performance . VT Solutions Ltd offers comprehensive cabling solutions, including fiber optic, Cat 6/6A, coaxial, and data cables. They also provide wireless network coverage, secure Wi-Fi networks, and installation of communication equipment such as video conferencing systems, PA systems, and digital signage . General Data Cabling (GDC/iMatai) is a Fiji-owned company providing data and communication network solutions across the Pacific. They focus on technically complete deployments, staff training to international standards, and project management for complex network installations . FNE Communications provides telecommunications construction services in Fiji, emphasizing safety, ethical practices, and continuous skill development for their staff .

Summary

For organizations seeking fiber optic communication equipment and services in Fiji:

- **Manufacturing:** Dominion Wire & Cables Limited is the primary local manufacturer of fiber optic and communication cables.
- **Installation & Maintenance:** Datec Fiji and VT Solutions provide professional installation, splicing, testing, and network maintenance.
- **Project Management & Network Solutions:** GDC/iMatai and FNE Communications offer end-to-end network deployment and technical expertise. These companies collectively cover the full spectrum of fiber optic communication needs, from manufacturing and supply to installation, maintenance, and network optimization.
