

Galvanized Cable Tray Cover Brands

Overview

Choose from our selection of cable trays, including over 850 products in a wide range of styles and sizes. Same and Next Day Delivery.

Key Takeaways

Top brands and suppliers of galvanized cable tray covers include EAE USA, MP Husky, and multiple IndiaMART-listed manufacturers such as Super Cable Tray and Global Manufacturers and Traders. Leading Suppliers and Brands

- EAE USA: Offers heavy-duty galvanized cable trays and covers, including pre-galvanized, electro-galvanized, and hot-dipped galvanized options suitable for indoor and outdoor use, with interlocking and covered designs for high cable density environments .
- MP Husky: Provides a wide range of cable tray covers fabricated from mill-galvanized steel, galvanized steel, and stainless steel. Their covers include flat, flat-flanged, hat-shaped, and louvered designs, suitable for both straight sections and fittings, with options for ventilation and protection against environmental elements .
- IndiaMART Suppliers: Several Indian manufacturers specialize in galvanized cable tray covers:
 - Super Cable Tray Private Limited – Offers quick response and bulk order support for solid and perforated covers .
 - Global Manufacturers and Traders – Provides various lengths and types of galvanized covers .
 - Shiv Shakti Manufacturing & Trading Co. – Known for industrial-grade cable tray covers .

- Rudra Corporation and Bajiya Industrial Corporation – Offer cost-effective options with competitive pricing .

Types of Galvanized Cable Tray Covers

- Solid Covers: Provide complete protection from dust, moisture, and physical damage, ideal for outdoor or high-risk environments .
- Slotted or Ventilated Covers: Allow airflow for heat dissipation, suitable for electrical and data systems .
- Lift-off or Hinged Covers: Facilitate easy access for maintenance and adjustments, often used in areas requiring frequent cable servicing .

Material and Installation Considerations

- Galvanized steel covers are corrosion-resistant and durable, suitable for both indoor and outdoor installations .
 - Standard lengths typically range from 6 to 12 feet, with custom lengths available upon request .
 - Pre-drilled mounting and lightweight designs reduce labor time during installation .
- These brands and suppliers provide a variety of galvanized cable tray cover options to meet different industrial, commercial, and environmental requirements, ensuring both protection and efficient cable management.
