

How many manufacturers in Sri Lanka produce fiber optic cables

Overview

Our list for Fiber optic products suppliers in Sri Lanka is one of the most comprehensive in the industry.

Key Takeaways

Top fiber optic cable manufacturers in Sri Lanka include Sierra Cables, DCL Engineering, ACL Cables, Xyntac, Hyperjet Technologies, Cable Solutions, and Micro Bytech Trading. Leading Manufacturers

Sierra Cables specializes in a wide range of cables, including fiber optic options, emphasizing high quality through rigorous testing and advanced production processes, making them a reliable choice for both local and international markets . DCL Engineering (Private) Limited focuses on ICT technology and structured cabling solutions, offering comprehensive fiber optic systems and serving as the sole distributor of Premium-Line products for structured cabling . ACL Cables PLC is the largest cable manufacturer in Sri Lanka, producing high-quality cables including advanced low voltage Cross Linked Polyethylene (XLPE) cables suitable for fiber optic applications. They are known for innovation and a significant market presence . Xyntac, a global unit of Sri Lanka Telecom, specializes in digital communications and international networking solutions, including submarine cable systems like SEA-ME-WE 4 and SEA-ME-WE 5, providing carrier-grade connectivity services ideal for secure data transmission . Hyperjet Technologies (Pvt) Ltd offers a variety of fiber optic connections and FTTH solutions, emphasizing innovation and quality service for the telecommunications sector . Cable Solutions manufactures high-quality custom-made cables, including data and communication cables essential for fiber optic systems, with production centers in Sri Lanka and India ensuring timely delivery . Micro Bytech Trading has been a leading supplier of structured cabling solutions, industrial automation, and connectivity products since 1993, serving government institutions, telecom operators, banks, and universities across Sri Lanka .

Additional Suppliers

Networkstore.lk provides a variety of fiber optic cables, including OM4 multi-mode cables suitable for indoor and outdoor use, with long-term reliability and low insertion loss . These companies collectively represent the most reliable and technologically advanced fiber optic cable manufacturers and suppliers in Sri Lanka, catering to both commercial and industrial needs.
