Huijue Optical Cable Product Introduction

Overview

Explore our Fiber Optic Cable collection, featuring main products like Optical Splitter, Fiber Patch Cord, and 695+ more items from Hai''an Huijue Network Communication Equipment Co., Ltd. on Alibaba .

Key Takeaways

Huijue Optical Cable specializes in fiber optic components, integrated cabinets, outdoor communication equipment, and ODN products for telecom and industrial applications.

Fiber Optic Components

Huijue offers a wide range of fiber optic components, including active connectors, optical splitters, adapters, transceivers, couplers, and fiber optic cables. These components are designed for high-speed data transmission and are suitable for FTTX solutions, data centers, and digital integrated network systems.

Integrated Cabinets and Boxes

The company manufactures integrated cabinets and boxes, such as optoelectronic integrated boxes, integrated monitoring boxes, and power control cabinets. These products are used to centralize and manage network equipment efficiently, providing both protection and monitoring capabilities.

Outdoor Cabinets and Equipment Rooms

Huijue produces outdoor communication cabinets, OLT equipment cabinets, ETC intelligent cabinets, and prefabricated equipment rooms. These solutions are designed for outdoor deployment, offering durability and environmental protection for telecom infrastructure.

OD

N (Optical Distribution Network) ProductsTheir ODN product line includes jumperless optical cross-connect cabinets, optical fiber distribution boxes, and optical cable joint closures. These products are essential for fiber optic network distribution, ensuring reliable connectivity and easy maintenance.

Additional Solutions

Huijue also provides customized solutions for telecom operators and industrial clients, including FTTX solutions, digital integrated site power solutions, and data center network solutions. They support OEM/ODM services and can supply products in small quantities or as samples for testing. ApplicationsHuijue's products are widely used in fiber communication networks, LAN & Ethernet management, campus networks, intelligent districts, electronic government projects, and industrial sectors such as finance, petroleum, railway, and medical treatment.

Their products are exported globally, including to Europe, North America, and Southeast Asia.

What company is Huijue Fiber Optic Cable

Huijue is a leading supplier, manufacturer and provider of telecom and communication solutions. Our products are widely used in telecommunications, data centers and the electric power industry.

Telecom Cabinet Manufacturer, fiber optical patch cord, 12 core patch ...

Established in 2001, Shanghai Huijue Network Communication Equipment Co., Ltd (HJ Network for short) is the leading manufacturer and solution provider for telecom and communication products.

Huijue Power Optical Cable

Huijue is a leading supplier, manufacturer and provider of telecom and communication solutions. Our products are widely used in telecommunications, data centers and the electric power industry.

Fiber Optic Components | Leading Network Server

Founded in 2002, Huijue Network is a high-tech service provider integrating intelligent network communication equipment and computer intelligent network

Huijue Optical Module Code

The tool streamlines the process and allows manufacturers to request and obtain Optical Product Codes online as well as process payment directly through the site.

Huijue Dual-Mode Optical Module

In the AI era, Huawei provides a full range of GE to 800GE optical modules, featuring three major capabilities: Spanning (ultra-long transmission), Stable (ultra-high reliability), and Secure (ultra-solid ...
