

Huijue Surface-Mounted Waterproof Distribution Box Price

Overview

Surface-mounted wall mounting: 1-row robust fuse box for 18 modules with transparent door for cable protection and sub-distribution in apartments and residential buildings.

Key Takeaways

Huijue surface-mounted waterproof distribution boxes typically range from \$15 to \$50 per unit, depending on size, IP rating, and order quantity.

Product Overview

Huijue surface-mounted distribution boxes are designed for indoor and outdoor use, offering IP65 waterproof protection, which ensures resistance to dust and water, making them suitable for wet rooms, gardens, and residential or commercial installations. They are usually made from high-quality ABS or polycarbonate, providing durability, impact resistance, and UV stability for long-term outdoor use. Common features include: Surface-mounted wall installation Transparent lockable door for cable protection DIN rail compatibility for modular wiring Rated current typically around 63A Pre-fabricated cable entries for easy wiring Pricing Factors The price of a Huijue waterproof distribution box depends on several factors: Size and module capacity – Small 2-module boxes are on the lower end (\$15–\$25), while larger multi-row boxes can reach \$40–\$50 per unit.

Material and I

P rating – Higher IP ratings (IP65–IP68) and UV-stabilized plastics may increase cost.
Order volume – Bulk purchases or wholesale orders often reduce per-unit pricing.
Customization – OEM branding, custom busbar fitment, or special enclosures can affect the final price.

Purchasing Options

Online retailers like Walmart offer ready-to-ship Huijue boxes for small orders. Wholesale suppliers and manufacturers in China provide bulk pricing and customization options. Specialized distributors like SinoBreaker offer a range of waterproof distribution boxes with IP65–IP68 ratings, suitable for industrial or outdoor applications.

For the most accurate pricing, it is recommended to contact suppliers directly with your specifications, quantity, and any customization requirements. This ensures you receive a current quote tailored to your needs.
