

Indian Small Busbar Supplier

Overview

Copper Busbar Find here Copper Busbar, Copper Bus Bar manufacturers, suppliers & exporters in India. Get contact details & address of companies manufacturi.

Key Takeaways

Top Indian suppliers of small busbars include CMK Electropower, C-Flo Copper, Axis Electrical Components, and Gujarat Copper Alloys, offering copper and aluminum busbars for industrial and electrical applications. Leading Manufacturers and Suppliers

CMK Electropower Pvt Ltd: Specializes in shrouded pin-type busbar systems for mobile equipment and industrial applications. They provide insulated busbar solutions and support factory visits and virtual meetings for technical discussions.

C-

Flo Copper (Mumbai): Offers high-quality copper busbars made from 99.9% pure ETP-grade copper, suitable for power distribution, grounding, and control panels. They provide standard and custom sizes, flat or bent bars, and connectors, with prices ranging from ₹780 to ₹830 per kg.

Axis Electrical Components (India) Pvt. Ltd.: Supplies tested and certified busbars to distributors, utilities, and equipment manufacturers, focusing on reliable delivery and compliance with industry standards. Gujarat Copper Alloys Limited: Manufactures copper and copper alloy busbars, rods, strips, and foils for various industrial applications, ensuring high conductivity and durability.

Other Notable Suppliers SRP Crane Controls (India) Pvt. Ltd., Adinath Enterprises, and Crane Kit: Known for quick response and reliable service, particularly for crane busbars. Technoplast, Electrofocus Electricals, and Flucon Components Pvt.

Ltd.: Offer competitive pricing for small busbars, suitable for bulk orders and industrial use.

Material and Quality Considerations

Copper is preferred for its superior conductivity, while aluminum is a cost-effective alternative for weight-sensitive applications. Verify suppliers' certifications such as ISO 9001 or IEC 61439, and request material traceability and sample testing for conductivity and thermal performance.

Contact and Ordering

Most suppliers provide direct contact numbers and support bulk orders. Factory visits or virtual meetings can be arranged to discuss technical requirements and custom solutions. By considering these suppliers, you can source small busbars in copper or aluminum with reliable quality, certifications, and delivery options suitable for industrial and electrical projects.
