

Indonesian Network Cabinet Sales Company

LoRawan outdoor base station

Overview

PT. Uni Network CommunicationsUni Network Communications (UNC) is a company founded on hard work, honesty, dedication and strong relationships that special.

Key Takeaways

Leading network cabinet manufacturers in Indonesia include PT. Uni Network Communications, HaganeRack Indonesia, Norden Indonesia, and PT. Media Partner Indonesia, offering a wide range of server racks, wall-mounted cabinets, and data center solutions.

Key Manufacturers and Their OfferingsPT. Uni Network Communications (UNC) specializes in server racks and data center infrastructure, providing closed racks, wall-mounted racks, open racks, colocation racks, air-conditioned server racks, biometric cabinets, and outdoor cabinets. They also offer customized racks, cold/hot aisle containment, rack PDUs, KVM switches, environmental monitoring systems, and network cable solutions (UTP and fiber optic).

UN

C supports custom designs, fast production, free shipping in Jakarta, and after-sales services including warranty, training, and repair.

Hagane

Rack Indonesia operates under PT Alaska Putra Perdana and focuses on close rack servers, wallmount racks, smart aisle containment, and precision air cooling (PAC) systems. They provide 19-inch and 24-inch racks with international standard designs, emphasizing innovation, quality, and competitive pricing for data center projects across Indonesia. Norden Indonesia is a leading supplier of wall-mounted cabinets, offering competitive pricing and reliable manufacturing for network and server cabinet solutions.

PT. Media Partner Indonesia produces standard network cabinets with advanced surface treatments including degreasing, pickling, anti-rust phosphating, and electrostatic spraying, ensuring durability and quality for IT infrastructure.

Additional Considerations

Many manufacturers provide customization options to meet specific project requirements. Delivery and assembly services are often available, especially in major cities like Jakarta, Bogor, Depok, Tangerang, and Bekasi.

Complementary I

IT infrastructure products, such as rack accessories, cooling systems, and cabling solutions, are commonly offered by these manufacturers. For sourcing network cabinets in Indonesia, contacting these companies directly via their websites or official communication channels is recommended to discuss product specifications, pricing, and project-specific solutions.
