

Ireland Terminal Box 6-Chip

Overview

Square Terminal All-in-One PoS Card Machine Secure, reliable portable terminal with long-lasting rechargeable battery. Pre-installed with free POS software.

Key Takeaways

In Ireland, 6-chip capable payment terminals like the Square Terminal and PAX A920 provide secure, versatile, and portable solutions for chip & PIN, contactless, and mobile wallet payments. Key Options and Features

Square Terminal

- Accepts chip & PIN, contactless, Apple Pay, and Google Pay with a flat transaction rate of 1.75% .
 - Portable with a long-lasting rechargeable battery and offline mode for temporary Wi-Fi loss .
 - Can connect via Ethernet and supports up to three USB accessories like cash drawers or barcode scanners .
 - Includes receipt printing, SMS, or email options, and 24/7 fraud prevention and customer support .
 - Compatible with 57 mm thermal receipt paper and covered by a two-year limited warranty .
- ### PAX A920
- A portable touchscreen smart terminal with a 5-inch HD display, built-in receipt printer, and front-facing camera .

- Accepts chip & PIN, contactless, magnetic stripe, and mobile wallets such as Apple Pay and Google Pay .
 - Connectivity options include 4G, Wi-Fi, and Bluetooth, making it suitable for rural areas with variable internet coverage .
 - Runs on a secure, Android-based OS with a controlled app ecosystem for PCI compliance .
 - Lightweight and compact, ideal for hospitality and tableside use . Other Providers in Ireland
 - NPI offers portable and countertop card machines with 4G SIM support, fast next-day settlement, and transaction rates starting at 0.3% .
 - Payzone provides fixed and mobile terminals with chip & PIN, contactless, and Apple/Google Pay support, along with EPOS integration and local support .
- Considerations for Businesses
- Portability vs Countertop: Portable terminals like Square Terminal and PAX A920 are ideal for mobile or tableside payments, while fixed terminals suit retail counters.
 - Connectivity: 4G-enabled devices ensure reliable operation in areas with limited Wi-Fi.
 - Payment Methods: Ensure the terminal supports all desired payment types, including chip & PIN, contactless, and mobile wallets.
 - Cost and Fees: Transaction fees vary by provider; Square charges 1.75% per transaction, while NPI offers rates from 0.3% .
 - Support and Warranty: Look for 24/7 support and warranty coverage to minimize downtime. For Irish businesses seeking a 6-chip capable terminal, both Square Terminal and PAX A920 are widely used, secure, and versatile options, with additional choices available through NPI and Payzone depending on business size, mobility needs, and connectivity requirements.
