

Kuwait Low-Voltage Distribution Box Manufacturer

Overview

HAMAD AL MUTAWA FACTORY FOR LOW VOLTAGE ELECTRIC Find company research, competitor information, contact details & financial data for HAMAD AL MUTAWA FACTOR.

Key Takeaways

Key manufacturers in Kuwait include HAMAD AL MUTAWA Factory, Electrical Projects Company (EPC), KEC Kuwait, and Al-Ahleia Switchgear, all offering certified low-voltage distribution solutions. Leading Manufacturers¹.

HAMAD AL MUTAW

A Factory for Low Voltage Electric Distribution Box Production Located in Sabhan Industrial Area, Mubarak Al-Kabeer, this factory specializes in low-voltage distribution boxes and switchgear panels. It serves industrial and commercial projects, providing products compliant with Kuwait's electrical standards and MEW regulations. ².

Electrical Projects Company (EPC) EPC has over 40 years of experience manufacturing low-voltage distribution equipment, including switchboards, distribution boards, motor control centers, and feeder pillars. They operate advanced fabrication and electrostatic powder coating facilities to ensure durability and safety.

EP

C products are designed for residential, commercial, and industrial applications, with high-quality finishing and compliance with international standards. ³.

KE

C Kuwait Established in 1976, KEC provides end-to-end low-voltage electrical solutions, including pre-sales design, product selection, and post-sales maintenance. They maintain a local warehouse with a wide range of products and offer professional installation and after-sales support, ensuring compliance with industry standards. 4.

Al-

Ahleia Switchgear Co., K. S. C.

C Founded in 1982, Al-Ahleia manufactures packaged substations, switchgears, control panels, transformers, and data acquisition systems. Their facilities include CNC machines, robotic welding, powder coating, and vacuum casting plants. They were the first Kuwaiti company awarded ISO 9001 certification in 1995, highlighting their commitment to quality.

Specialized Products and Applications

Outdoor and weatherproof enclosures for solar power plants, EV charging stations, and smart grid infrastructure. High IP-rated junction boxes capable of withstanding Kuwait's extreme desert temperatures and UV exposure. Smart metering and modular distribution units compatible with AMI systems and automated demand-response networks.

Industrial and residential switchboards with RCDs, RCBOs, and transfer switches for safety and power management.

Considerations for Procurement

When selecting a manufacturer in Kuwait, consider: Compliance with MEW wiring regulations and IEC standards. Durability in high-temperature, high-UV environments. Availability of OEM/ODM customization for project-specific requirements.

After-sales support and maintenance services to ensure long-term reliability. These manufacturers collectively provide a robust supply chain for Kuwait's growing infrastructure, renewable energy projects, and smart city initiatives, ensuring reliable low-voltage power distribution solutions.

HAMAD AL MUTAWA FACTORY FOR LOW VOLTAGE ELECTRIC

Find company research, competitor information, contact details & financial data for HAMAD AL MUTAWA FACTORY FOR LOW VOLTAGE ELECTRIC DISTRIBUTION BOX PRODUCTION of

Electrical Projects Company | Switchgear Manufacturer

For over four decades, EPC has been a trusted name in Kuwait's electrical industry, specializing in the manufacturing of high-quality Low Voltage Distribution Equipment.

Electrical Junction Box Factories & Manufacturer in Kuwait

Shuaiba Industrial Area and Sabhan Industrial Zone house hundreds of manufacturing facilities requiring certified low-voltage distribution boxes, switchgear panels, and metering enclosures to meet Kuwait's

KEC Kuwait - Kuwait's Leading Low Voltage Systems Solution Company

With our team of highly trained personnel, we provide end-to-end solutions for all your electrical low voltage requirements. Trust KEC to deliver quality, reliable, and efficient services that meet your

Low voltage switchgear manufacturer

We specialize in the manufacturing and assembly of Low Voltage electrical equipment and are licensed to operate as a contractor in Kuwait. All our products come with a warranty of 12 months from the

Dakheel Al Jassar

The company has products ranging from LV switchgear, circuit protection, control and automation, wiring accessories, lighting and other electrical Products for domestic, commercial and industrial sector.

Home Page - AL

Al-Ahleia Switchgear is composed of 12 units with: 50CNC machines, intelligent robotic welding machines, powder coating & electroplating facilities, computer aided vacuum casting plant, vacuum

Low Voltage Switchgear Suppliers and Manufacturers in Kuwait

As a premier Low Voltage Switchgear Supplier & Manufacturer in Kuwait, we recognize that the heartbeat of this transformation lies in advanced electrical components that can manage, protect,

Circuit Breaker & Automatic Transfer Switch | Relay

Andeli Group Co.,Ltd,founded in 1985, is located in the largest manufacturing base of low and high voltage electric equipment of Liushi China, which is called ...

Electrical Projects Company | Switchgear Manufacturer

Electrical Projects Company is one of the Kuwait''s leading company in manufacturing of Low to High Voltage Distribution Equipment''s- Switchboards,

KEC Kuwait - Kuwait'' Leading Low Voltage Systems Solution Company

KEC has been at the forefront of delivering premium low voltage electrical solutions since its inception in 1976. Our commitment to excellence has enabled us to establish enduring relationships with leading

Welcome to Keentech

Welcome to Keentech For Switchgear, Control Panels & Electrical Materials One of the largest suppliers of Complete Electrical Solutions in Kuwait. Whether you''re

Bin Shehab International General Trading & Contracting

Bin Shehab International General Trading & Contracting Co W.L.L (BSICO) has been a bright inspiration of accomplishment since 2015 in Kuwait''s industrial

Renesas Electronics Corporation

A global leader in microcontrollers, analog, power and SoC products, Renesas delivers trusted embedded design innovation to shape a limitless future.

Ahleia Electrical Co., Kuwait

Ahleia Electrical Co., Kuwait is serving the Gulf market since last three decades with quality electrical material (all types). We are globally reputed distributor and stockiest for many leading brands of

Low-voltage systems

Home Catalog Drive technology Automation technology Energy Building Technologies Low-Voltage controls and distribution Market-specific solutions Services... and everything else you need

Distribution box,ezitown distribution cabinets

ABS Waterproof Junction box with knock out Ezitown High quality Cable Termination RELAY BOX 1.0mm 250x200x150mm Outdoor Air Conditioner control box for Kuwait 0.8mm A/c control AC box
