

Nepal Standard Optical Cable Manufacturer

Overview

Home Technovate International Pvt. Ltd was established in 2017 with an objective to provide end-to-end fiber optic products and solutions to Internet Servi.

Key Takeaways

Key manufacturers and suppliers of optical cables in Nepal include Annapurna Cable Industries, Technovate International, D-TECH Trading, and Cable Tech Nepal. Leading Optical Cable Manufacturers and Suppliers1. Annapurna Cable Industries Pvt.

Ltd. Established in 2001 in Biratnagar, Annapurna Cable Industries is one of Nepal's leading cable manufacturers. While primarily known for house wiring, power cables, and XLPE cables, the company has expanded into high-quality cable production with advanced manufacturing technologies.

Their products are recognized for superior quality and reliability, and they maintain rigorous testing standards in their in-house laboratory to ensure performance and durability. 2. Technovate International Pvt.

Ltd. Founded in 2017, Technovate specializes in providing end-to-end fiber optic products and solutions for ISPs and Cable TV operators in Nepal. They import fiber optic cables and telecommunication equipment from international partners, ensuring high-quality standards.

Technovate emphasizes professional service, ethical business practices, and strong after-sales support, making them a trusted supplier for telecom and networking projects. 3. D-TECH Trading D-TECH Trading supplies high-quality fiber optic cables suitable for FTTH, FTTx, ISP backbone projects, outdoor CCTV networking, and long-distance fiber connectivity.

They offer 6-core and 12-core fiber optic cables, along with FRP, ADSS, drop cables, and accessories. D-TECH provides fast delivery across Nepal, supporting both aerial and outdoor fiber installations. 4.

Cable Tech Nepal Cable Technology (P) Ltd., based in Kathmandu, offers a range of fiber optical cables and related solutions. They cater to telecom, networking, and infrastructure projects, providing reliable products and technical support for installation and maintenance.

Additional Resources

For a broader list of verified cabling and fiber optics companies in Nepal, including manufacturers and distributors, users can refer to directories such as NepalYP, which lists top networking and optical fiber companies with contact details and service offerings. These companies collectively provide a comprehensive range of fiber optic cables, accessories, and installation support, making them suitable for telecom operators, ISPs, and large-scale networking projects in Nepal.
