Price quote for fiber optic cable fusion splicing machine

Overview

Fusion Splicers,Fiber optic splicer Factory Price | Splicermarket.comSuppliers and Manufacturers - Factory Price. Fusion Splicing Machines | Shop now Fusio.

Key Takeaways

Fiber optic fusion splicers typically range from $3,000 to $15,000 or more, depending on type, features, and precision.Price Ranges by Splicer Type
• Manual Fusion Splicers: These require the operator to align fibers manually and are generally the most affordable, suitable for low-volume or non-critical applications. Prices are on the lower end, often under $3,000, due to their labor-intensive operation and simpler mechanics .

• Automatic Fusion Splicers: These machines perform fiber alignment and splicing with minimal human intervention. High-end models with features like automatic core alignment, real-time splice loss estimation, and environmental sealing can cost $10,000 to $15,000 or more .

• Hybrid Splicers: Combining manual and automatic features, hybrid splicers offer flexibility for different fiber types and splicing methods. Their cost typically falls between manual and fully automatic models, around $5,000 to $10,000 .

• Core-Alignment Splicers: Designed for ultra-low loss (
