

Recommended Manufacturers of Intelligent Distribution Boxes in Romania

Overview

Electrical Box Manufacturers & Factories serving RomaniaRomanian system integrators and OEM manufacturers demand boxes with flexible DIN rail configuration.

Key Takeaways

Top manufacturers in Romania for intelligent distribution boxes include Total Electric Co, iDES Electric, WATT UNIT, Electroinstal Solution, and ACTEC S.R.L., offering advanced low and medium voltage solutions.Key Manufacturers

Total Electric Co specializes in low voltage electrical distribution equipment, including customizable switchboards for residential, commercial, and healthcare sectors. They provide technical consulting, design, and maintenance services, ensuring reliable and safe electricity distribution tailored to project requirements . iDES Electric focuses on energy efficiency and local energy production, offering solutions such as energy audits, management systems, and photovoltaic integration. Their expertise supports sustainable energy management and smart distribution systems . WATT UNIT provides engineering, procurement, and project management for electrical systems, including the design and installation of electrical panels and low voltage systems. They are known for industrial automation and advanced technology integration . Electroinstal Solution delivers comprehensive design and execution services for low and medium voltage electrical installations, ensuring seamless project execution and optimal system performance. They cater to industrial and commercial projects requiring intelligent distribution solutions . ACTEC S.R.L. is a Romanian manufacturer producing a wide range of metallic enclosures, wall-mounted and floor-standing cabinets, and distribution boxes. They have extensive experience in custom metal fabrication for electrical applications .

Additional Considerations

When selecting a manufacturer, consider:

- Customization capabilities for intelligent or smart distribution systems
 - Compliance with local and international standards for safety and performance
 - Technical support and consulting services for system design and integration
 - Experience in industrial, commercial, or residential projects
- These companies represent some of the most reliable options in Romania for intelligent distribution boxes, combining manufacturing expertise with advanced electrical solutions.
