

Slovakian secondary distribution box supplier

Overview

Electrical Box Steel Manufacturer & Factories for the Slovakia Market Our products cover high-voltage cabinet frames (KYN61-40.5, KYN28A-12, etc.), low-volt.

Key Takeaways

PRIMUS spol. s r.o., NAP, Corplex Slovakia, and ROAD SK are key Slovakian manufacturers and suppliers of secondary distribution boxes and industrial packaging solutions.

PRIMU

S spol. s r.o. Founded in 1995, PRIMUS is a leading supplier of packaging and storage equipment in Slovakia. They offer a wide range of plastic crates, boxes, pallets, and IBC containers, suitable for industrial, automotive, food, and pharmaceutical applications.

PRIMU

S can produce custom plastic assortments tailored to specific component packaging needs, ensuring compliance with hygiene and safety standards for food and medicine contact. They also represent major European producers, providing high-quality products with timely delivery across Slovakia.

NAPNA

P specializes in high-quality cardboard and custom packaging solutions, including transport boxes for automotive, electronics, and pharmaceutical industries. With over 25 years of experience, NAP provides innovative, cost-effective packaging tailored to client requirements, including custom inserts and protective solutions for secondary distribution.

Corplex Slovakia

Corplex Slovakia focuses on custom corrugated plastic packaging and technical solutions for industrial applications. They provide sustainable and durable secondary distribution boxes designed for efficient handling, storage, and transport of goods. Their solutions are particularly suitable for sectors requiring robust and reusable packaging.

ROAD S

K, s.r.o.

ROAD S

K produces and distributes a wide range of packaging materials and strapping equipment, including stretch films and industrial boxes for palletized goods. They emphasize quality management and customer-specific solutions, making them a reliable partner for secondary distribution needs in Slovakia and abroad.

Summary

For companies seeking secondary distribution boxes in Slovakia, PRIMUS, NAP, Corplex Slovakia, and ROAD SK offer a combination of customizable, high-quality, and EU-compliant packaging solutions. These manufacturers cater to diverse industries, including automotive, food, pharmaceuticals, and general logistics, providing both standard and tailor-made boxes for efficient storage and transport.
