

UK cable tray supplier

Overview

Top 40 Cable Tray Manufacturers in the UKThe United Kingdom boasts a robust manufacturing sector for cable trays, with several leading companies providing.

Key Takeaways

Top UK suppliers for cable trays include Direct Channel, CMW, CEF, Armorduct Systems, and LASNEK, offering a wide range of steel, stainless steel, and galvanized solutions.

Leading Suppliers and Offerings

Direct Channel provides light, medium, and heavy-duty cable trays with widths from 50mm to 600mm and lengths of 1m or 3m. They offer pre-galvanized and hot-dipped galvanized finishes, along with accessories like couplers, bends, crossovers, lids, and variable risers for flexible installations .

CMW Ltd is a UK-based supplier with over 20 years of experience, offering high-quality cable trays suitable for commercial and industrial projects. They provide next-day delivery and free shipping on orders over £100, making them a convenient option for urgent requirements .

CEF specializes in steel cable trays designed for heavy loads and harsh environments. Their products are durable and reliable, suitable for industrial and commercial applications, with various sizes and finishes available .

Armorduct Systems Ltd manufactures a wide range of cable management systems in the UK, including cable trays, trunking, baskets, floor boxes, and power tracks. They also offer bespoke solutions tailored to specific project needs, all designed and produced in-house .

LASNEK focuses on stainless steel cable trays, providing durable and efficient solutions for safe and organized wiring systems across different industries .

Considerations When Choosing a Supplier

- Material and Finish: Steel, stainless steel, or galvanized options depending on environmental conditions.
- Load Capacity: Light, medium, or heavy-duty trays for different cable weights.
- Accessories: Availability of bends, couplers, lids, and risers for complete installation.
- Delivery and Support: Fast shipping, technical support, and bespoke solutions can be critical for large or complex projects.

These suppliers collectively cover a broad spectrum of cable management needs in the UK, from standard installations to customized industrial solutions.
