

Waterproof Cable Tray Prices

Overview

Waterproof cable tray, aluminum & stainless steel options, 200-300mm width, perforated design, hot-dip galvanized, fireproof. Start bulk purchase from 1 unit, prices from \$0.9 to \$14.57.

Key Takeaways

Waterproof cable trays are available in a wide price range depending on material, type, and order volume, from approximately \$0.80 per unit to over \$76 per unit for industrial-grade solutions. Price OverviewB2C (Consumer/Small Orders): Prices for smaller, home or office-use waterproof cable trays typically range from \$15 to \$34 per unit, with some wholesale options as low as \$0.

92. These are generally designed for under-desk or light-duty applications and prioritize ease of installation and aesthetics.

B2

B (Industrial/Commercial Orders): Bulk purchases for industrial, commercial, or construction projects can range from \$0.80 to over \$76 per unit, depending on material (FRP, stainless steel, aluminum), tray type (ladder, perforated, solid, channel), and load capacity. These trays are more durable, corrosion-resistant, and suitable for outdoor or high-moisture environments.

Material and Type ConsiderationsFRP (Fiberglass Reinforced Plastic): Offers excellent corrosion resistance, durability, and long-term performance in harsh environments. Ladder, perforated, channel, and trenched designs are available, with prices varying by size and load capacity. Metal (Stainless Steel, Galvanized Steel, Aluminum): Provides high load-bearing capacity and fire resistance.

Stainless steel trays are preferred for chemical or outdoor exposure, while galvanized steel is cost-effective for general industrial use. Perforated vs Solid Trays: Perforated trays allow ventilation and easier cable additions, while solid trays provide maximum protection against moisture and environmental hazards.

Regional Supplier Examples

China Suppliers: Platforms like Made-in-China and Alibaba offer a wide range of waterproof cable trays with customizable OEM/ODM options and competitive bulk pricing. India Suppliers: IndiaMART lists suppliers such as Super Cable Tray Private Limited and Global Manufacturers, with starting prices around ₹95 per meter for metal cable trays, suitable for industrial installations.

Key Buying Tips

Determine Load and Environment: Choose material and tray type based on weight, exposure to moisture, chemicals, and outdoor conditions. Consider Installation Ease: Some trays feature no-drill clamps or modular designs for faster setup. Bulk vs Small Orders: B2B bulk orders reduce per-unit cost but require higher initial investment.

Compliance and Standards: Ensure trays meet relevant standards such as DIN EN 61537 or IEC for safety and durability. By evaluating material, type, and supplier, buyers can select waterproof cable trays that balance cost, durability, and installation requirements.
