What is the price of plastic cable trays grooves

Overview

The average cable tray price per meter ranges from $2 to $25, depending on material, type, size, and surface finish. □□ For bulk orders or project pricing, the cost can be significantly lower. The main cost driver is the material used in manufacturing:Global Recycled Standard (GRS) certified products contain recycled content that has been independently verified at each stage of the supply chain, from the source to the final product and meet social, environmental, and chemical requirements. Shop now for fast shipping and easy returns!Constructed from interwoven plastic or composite wires, these trays offer a flexible, lightweight solution for cable support. Their open-grid design maximizes airflow and allows for easy customization on-site. Wire mesh trays are particularly effective in complex routing scenarios. Fireproof Type Electrical Ss 304 Stainless Steel Metal Cable.
