

# Where in the UAE can I get quotes for cable tray supports

## Overview

Cable Tray Manufacturers in Dubai, Abu Dhabi, Sharjah, UAE Unigroup supplies perforated, ladder, and galvanized cable trays in Dubai, Abu Dhabi, and Sharjah.

## Key Takeaways

You can obtain quotes for cable tray supports in the UAE from leading suppliers such as West Port Cable Tray, Unigroup, Metar, and Emerald, covering Dubai, Abu Dhabi, Sharjah, and Ras Al Khaimah. Key Suppliers and Manufacturers

1. West Port Cable Tray Located in the UAE, West Port offers a wide range of cable management solutions including cable trays, ladders, Unistrut channels, trunking, and wire mesh trays.

They provide tailored solutions for light, medium, and heavy-duty applications, with options for bespoke designs and full support systems. You can request a quote directly through their website for project-specific requirements.

- 2.

Unigroup Unigroup manufactures and supplies perforated, ladder, wire mesh, and GRP cable trays in Dubai, Abu Dhabi, and Sharjah. They also provide strut systems and accessories, with customization options for load, finish, and installation conditions. Their engineering team can assist with both standard and custom solutions, and quotes can be requested online.

3. Metar Based in Dubai, Metar specializes in engineered steel cable trays and support systems for commercial, industrial, and infrastructure projects. They offer mild steel, pre-galvanized, hot-dip galvanized, and powder-coated finishes, with custom sizes and load ratings.

Metar provides technical documentation and project-specific fabrication, making it suitable for large-scale projects. Quotes can be obtained by contacting them directly.

4.

Emerald / CableTrayUAE Emerald supplies a comprehensive range of cable trays, ladders, strut supports, trunking, and accessories across the UAE. They provide design assistance, AutoCAD and PDMS support, and offer hot-dip galvanized trays in standard lengths. Their team is available six days a week to provide quotes and technical guidance for industrial and commercial projects.

5. Other Locations For suppliers in Ras Al Khaimah and Sharjah, Yellow Pages UAE lists notable cable support system providers in free zones like Al Ghail and Sajja. These suppliers can provide quotes and detailed product specifications for industrial applications.

### **Tips for Requesting Quotes**

Specify the type of cable tray (ladder, perforated, wire mesh, GRP) and load requirements. Include project location and installation environment (indoor, outdoor, coastal, industrial). Ask for custom sizes, finishes, and accessories if needed.

Request technical documentation for compliance with UAE standards and international load ratings. By contacting these suppliers, you can compare pricing, lead times, and technical support to select the most suitable cable tray support system for your project.
