Key Takeaways

Albustan Technical, SV Composites & Engineering, Cable Tray Trading, and Gulf Grating are leading companies in Oman specializing in cable trays.Key Companies and Offerings

Albustan Technical Supplies LLC provides a wide range of cable management systems, including cable trays, ladders, trunking, conduits, and raceways. Their products are made from high-quality materials such as steel, aluminum, PVC, and FRP, suitable for heavy-duty and general-purpose applications. They serve industries like construction, power, oil & gas, and infrastructure, ensuring compliance with international safety standards (Albustan Technical) . SV Composites & Engineering Pvt Ltd specializes in FRP (Fiber Reinforced Plastic) cable trays. They manufacture trays with high load-carrying capacity, fire and corrosion resistance, and durability for harsh environments such as coastal areas, chemical industries, and high-temperature applications. They offer various configurations, including channel-type FRP trays, catering to both light instrumentation cables and heavy power cables (SV Composites) . Cable Tray Trading is a supplier of all types of cable trays in Oman, including cable ladders and trunkings. They provide a comprehensive range of products to meet diverse project requirements across industrial, commercial, and residential sectors (Cable Tray Trading) . Gulf Grating offers a complete cable management system, including ladder-type, GI, SS, aluminum, and FRP cable trays. Their solutions are designed for light to heavy cable loads and are widely used in oil & gas, power, industrial, and commercial projects. They provide all necessary fittings for easy installation and maximum ventilation (Gulf Grating) .

Summary

For projects in Oman requiring cable trays, Albustan Technical and Gulf Grating are ideal for general and heavy-duty applications, SV Composites is specialized in FRP trays for harsh environments, and Cable Tray Trading offers a broad selection of cable tray products. These companies provide reliable, compliant, and durable solutions for various industrial and commercial needs.
